Every Child Deserves a Chance

Founded in 1972, Northeast Center for Youth and Families (NCYF) serves more than 600 children and teens annually with a broad range of programs. With a comprehensive continuum of care, NCYF's services include foster care and residential programs, in-home therapy, expressive arts therapy, after school programming, and the Tri-County Schools for special-needs youth. Our mission is to provide kids with the stability, skills and support they need to successfully rejoin their families and communities. Tax ID# 042-680-339
